In fact, ask **Max a local resident to Whetstone** for many years who envisaged at an early stage what was on offer and we were delighted to hand Max the keys to his new home, this week, we expect Max to have many happy years in his new home.

From the first day to the end, I had the pleasure dealing with Mr Steve Britnell (Revere Homes).

I found him to be professional, trusted and most reliable. I bought a four bedroom house, 1 Bilbrooke Drive, London, from him and I am delighted with it.

The design is superb and the quality of products used were excellent. My family and I will have many years of happiness living in this beautiful home. Thank you, Revere Homes, from the bottom of my heart.
